COTTAM 100MM/4" BLACK STRIPE NYLON ROLLER SLEEVE (10 OFF)

PPR00011

List Price **£1.16 Per Roller**
Our Price **£0.90 Per Roller**

PRICE IS PER INDIVIDUAL ROLLER

Best for applying industrial coatings – epoxy's / glass filled resins / oil & solvent-based finishes. The nylon fill is resilient to harsh chemicals and tough so it can apply high-tack finishes on uneven surfaces.

- 4 Inch / 100 MM roller sleeve
- Nylon
- Best for industrial coatings
- Fits 6 MM wire roller frames
- Cottam roller bearing

ONLY SOLD IN PACKS OF 10

COTTAM 100MM/4" FOAM ROLLER SLEEVE (10 OFF)

PPR00029

List Price **£0.98 Per Roller**
Our Price **£0.80 Per Roller**

PRICE IS PER INDIVIDUAL ROLLER

Best for applying oil & solvent based paints and finishes over smooth surfaces. The superfine high-density foam sleeve ensures no fibre loss during the application of medium-tack finishes ensuring a smooth, consistent finish.

- 4 Inch / 100 MM roller sleeve
- Foam
- Best for fine finish
- Fits 6 MM wire roller frames
- Cottam roller bearing

ONLY SOLD IN PACKS OF 10
