Offer Price **£2.65 each**

*PRICE BASED ON BOX QUANTITY (12)

5L Pocket Rocket:

The special blend of water dispersing agents and corrosion inhibitors instantly displaces water leaving a light silicone free protective film. Lubricates moving parts such as hinges, wheels, and gears. Penetrates through dust, dirt and rust to release corrosion. Ideally suited for both industrial and domestic applications.

400ML Aerosol:

The special blend of water dispersing agents and corrosion inhibitors instantly displaces water leaving a light silicone free protective film. Lubricates moving parts such as hinges, wheels, and gears. Penetrates through dust, dirt and rust to release corrosion. Ideally suited for both industrial and domestic applications.
